## The Mustard Seed Church Sowing Seeds in the Community...

### UTO Gathering

St. Mary's is bringing back the blue UTO boxes. What are these you ask? UTO stands for United Thanks Offering. It is a way to give thanks to God for his many blessings.

Notice all of the ways that God is blessing you each day; from little things like a sunshine on your family reunion or a note from a friend to the big things like recovering from an illness or completing a major project. From moments of self-care to interaction with people who care and love us, good things are happening all the time that we simply miss because we are continually rushing.

The UTO blue box allows us to slow down for just a second and give thanks for all those blessings, big and small. Every time you drop a coin or dollar in the box, say a prayer of thanksgiving. Place these boxes anywhere; in the laundry room to catch the change that is left in pockets, in the car for your spare change after ordering through the drive-thru, in your bedroom for all the coins accumulated at the end of the day. You will be amazed how much you are thankful for and how much you will collect.

The UTO boxes will be available on Pentecost Sunday, June 5. Take as many as you want and remember to include your children and teens, so they also can give thanks for God's many blessings. The boxes with all the coins will be returned six months later on All Saints Sunday, November 6. UTO is entrusted to receive the offerings, and to distribute 100 percent of what is collected to support mission and ministry throughout The Episcopal Church and Provinces of the Anglican Communion.

## Parish Dinner

Our next Parish dinner will be Wednesday, May 18th, at 6:00 p.m. Marvin Miller will be making his famous Dutch Oven lasagna. There is a sign-up sheet in the Parish Hall for those who would like to bring sides or desserts.

Come join us for a wonderful meal, special time with friends, and a laugh or two. It won't be the same without you there.

## Honoring Our Military

Sunday, May 15th, is the last day to donate to the gift cards for our military personnel. All of these men have close connections to St. Mary's. Luis Cassells, the grandson of Marglet Arana, and Ricky Wallace served this congregation as acolytes. Shane Case is the son-in-law of Mary Stewart and John Brockway is the nephew of AJ and Dani Mikel. Brandon Davidson served with Colleen Matocha's husband. Christopher Koole is the nephew of Theresa Crawford, the newest member to our congregation.

You can place donations in the offering plate on Sundays, bring or mail your donation to the church office. or donate through PayPal on our website. Notes thanking them and their families for their service would also be appreciated.

During these uncertain times, these men and their families need to know they are not forgotten. Give what you can for those who give so much and continue to pray for them.

## Workday

Dan Roddy, our Junior Warden, has rescheduled a workday for St. Mary's on Saturday, May 21, from 8:00 a.m. to noon. Donuts, pigs in the blanket, coffee, juice, milk and water will be served before the work begins.

Many hands make light work! Wear something comfortable that you're not afraid to get dirty in. It shouldn't take long for us to get the church looking spic and span.

## Bishop Monterroso is Coming

Bishop Monterroso will be celebrating the Holy Eucharist at St. Mary's on Sunday, June 12, at 9:00 a.m. If you or anyone you know would like to be confirmed, received, or baptized during this service, please let Father Paul know.

## Confirmation Classes

Confirmation is the sacramental rite in which the candidates express a mature commitment to Christ, make a public affirmation of their faith, recommit themselves to the responsibilities of their baptism, and receive strength from the Holy Spirit through prayer and the laying on of hands by a bishop. (Book of Common Prayer)

The Reverend Paul Wehner will conduct 4 confirmation classes for those who are interested in being confirmed. The four classes will be after hospitality and fellowship on the following Sundays; May 8, May 15, May 29, and June 5.

## Worship Leaders

With summer coming on, the availability of parishioners to serve as worship leaders will be limited. If you are able to help on the altar guild, as a lector or leader of the Prayers of the People, as an acolyte, as an usher, or as a Chalice bearer, let Dani know.

Each person who serves is a special and vital part of the worship service. Please consider serving. St. Mary's needs you.

## Pentecost Sunday

Sunday, June 5, is Pentecost Sunday. This is the Sunday we celebrate the coming of the Holy Spirit to the Apostles and earlier followers of Jesus. Remember to wear **red** to church that day.

## 4th of July Picnic

Mark your calendars for our picnic celebrating the 4th of July on Sunday, July 3rd, following the service. Hamburgers and hotdogs and all the fixin's will be served. There will be a water slide for all ages along with outdoor games. Bring your chairs, your appetite, towels, bathing suits, and any games as we celebrate our nation's freedom together as a church family. Since the picnic begins after church, you can dress casually for the service. No need to go home and change.

If you have a canopy we can use that day, please let Dani, Gwynne, or Father Paul know. **COME ON LET'S CELEBRATE!!!**

# Message from Marvin Miller

## \* Leadership Without Words

From 1949 to 1958 Pee Wee Reese was captain of baseball's Dodgers. Named not for his size, but for playing marbles as a kid with a pee-wee shooter. He was a great shortstop, a daring base runner, and a superb clutch hitter.

He was an eight-time All Star and sparked the Dodgers to seven National League pennants. He fielded the final ground ball in Brooklyn's first World Series championship in 1955. He never earned more than \$35,000 playing the game he loved.

During his total of sixteen years on the field for the Dodgers, Reese was respected as a person as well as a ballplayer. His fellow Dodgers called him simply "The Captain" and deferred to his judgment on many matters.

He wasn't good at speeches. His leadership came from inner confidence, integrity, and consistency. His manner had the unpretentious effect of causing people to trust and follow him.

Just back from a three-year stint in the Navy during World War II, Reese had helped win a war against racial intolerance in Europe and was destined to be caught up in fighting the same injustices in his own country.

His team decided to break the barrier against black players by bringing up a young player named Jackie Robinson. Some of the Dodger players began circulating a petition in the clubhouse to protest the plan. The petition said in effect that the players signing it wouldn't play on a team with a black man.

Confident that Reese would sign it because he was a Southerner, it was shoved under his nose. "I'm not signing!" he said, and the petition died.

Robinson was with the team for spring training in 1947. Before a game in Cincinnati just across the river from Reese's native Kentucky, the ugliness was intense. Fans in the stands joined players in the opposing dugout to shout racial slurs at the black man taking infield practice at second base.

Pee Wee Reese raised his arm to halt the team's warm up. He walked from his shortstop position to second base and put his arm around Jackie Robinson's shoulders.

That event is viewed as a turning point in the history of baseball. By extension, it was also a major blow against racism in American society.

Robinson recalled: "Pee Wee kind of sensed the sort of hopeless, dead feeling in me and came over and stood beside me for a while."

"He didn't say a word, but he looked over at the chaps who were yelling at me . . . and just stared. He was standing by me. I could tell you that."

Sometimes you don't need to say anything to lead. Just be there. Stand for what you know is right. There is an eloquence in actions that words can't equal.

~ The Author of the story is Rubel Shelly who preached for the Family of God Church at Woodmont Hills in Nashville, TN.

Dear St. Mary's,

Thank you so much for all the generous gifts. The candy was sweet and the snacks filling. The gift cards and money helped with both food and groceries for Kayla and I. Thank you for always supporting me through college with gifts of kindness. It is always comforting to know there are people back home who are cheering me on.

Thank you,
