*St. Mary's*  
EPISCOPAL CHURCH  
The Mustard Seed Church

The mission of St. Mary's is to unite all people into a relationship with God and each other in Christ.

Over this past year, St. Mary's has been talking a lot about stories and sharing our stories. Early in the year, we developed a mission statement, a simple sentence that we agreed identifies who we are and what our story is as a community of Christ's. Over the spring and summer, our gospel readings from Luke covered many of Jesus' stories, the parables he used to teach his disciples and the constant crowd of others who followed him. Over the summer we entertained the idea that evangelism is merely sharing our stories with others of how much God has done for us. After hearing stories from a couple of people who grew up in St. Mary's and are now active in living their faith elsewhere, we set up a timeline by decade in the Parish Hall to encourage all of us to add their stories or memories of life shared here at St. Mary's.

But what has been particularly moving to me lately and to others I have spoken with are the stories that have been shared during our fall stewardship program, "Growing in Gratitude." Guided by our able Senior Warden and Stewardship Chair, Charlotte Blount, each week members of our community have eloquently told their stories of St. Mary's encouragement, teaching, and support. Charlotte shared of how she and Mike took a risk last year in pledging and have experienced unexpected financial blessings this year. Gwynne Olson spoke of a yearning to find a new church home after about two years of searching and how both she and Bill felt like they had come home when they visited St. Mary's. Marvin Miller compared church involvement with school, that *attending* church is like doing the basic schoolwork required by teachers to pass classes but that *ministry* in the church is like the extracurricular activities of school that give our school years such meaning. Finally, high school freshman Brayze Schill shared how grateful he is of St. Mary's support of his venturing into rodeo and how his parents have taught him to tithe a portion of his rodeo winnings to St. Mary's. All of these stories from our beloved members have inspired us to look more deeply at our annual stewardship decision of time, talent, and treasure.

**“Harvest Sunday” is this coming Sunday, November 10<sup>th</sup>, when we close out our formal stewardship season for this year. Bring your completed “Giving Card” on Sunday so that your prayerful intentions of service and financial support can be blessed at the close of our worship that morning. Any completed and returned cards received over the last few weeks will also be added to the basket on Sunday. Know that these “Giving Cards” do not set your commitment in concrete – should your financial situation or work-life balance change in 2020, all you need to do is talk with me, and we will make adjustments. Note that the cards asked what ministry you could help with in 2020 in addition to your current ministries – as life and programming expands at St. Mary’s, more help is needed in all areas. Many of those ministries listed do not require significant time commitments. Again, check with me if you need more information.**

**But most of all, keep in mind that stewardship is not *fund-raising*, but instead is *faith-raising*.**

Blessings,

### **Jamie Martin Currie**

**On Sunday, November 17<sup>th</sup>, Jamie Martin Currie will visit St. Mary’s to preach and lead a discussion in the Christian Formation class in the Parish Hall following the service. It’s no secret -- many congregations are growing older and smaller as younger generations check out from church. Based on studies of more than 250 of the nation’s leading congregations, Growing Young provides a strategy to involve and retain young people ages 15 to 29 - spiritually, emotionally, missionally, and numerically. Jamie Martin Currie, Missioner for Christian Formation for the Episcopal Diocese of Texas, will set the stage for how we can use this exciting new approach to reach the church’s future right here and right now. Known nationally for her innovative approach to youth and family ministries, Martin-Currie serves as the Missioner for Christian Formation for the Episcopal Diocese of Texas. As she offers her expertise to parishes and develops new youth and family ministers across the Diocese, she is also on the faculty of The Iona School. She previously served as the Director of Children’s Ministry at St. Martin’s in Houston and St. Bartholomew’s in New York City.**

## Sowing Seeds in the Community...

### Thanksgiving Baskets

St. Mary's Episcopal, Columbia United Methodist, and Bethel Presbyterian are joining together to provide Thanksgiving Food Baskets. Our commitment is to provide 30 Thanksgiving Food Baskets on November 22nd to families identified by Communities in Schools for Columbia Brazoria ISD. The baskets will include food for a special Thanksgiving meal and items to supplement the family while the children are out of school for the week of November 22nd-29th.

Following is a list of items needed. A monetary donation can also be made. There will be a container in the Narthex. Please bring your donations to the church by Sunday, November 17th. We will be assembling the baskets on Wednesday, November 20th, at Columbia United Methodist after our Parish Dinner.

#### Items for a special Thanksgiving meal:

pre-cooked ham  
5 pound bag potatoes  
canned green beans  
canned corn  
family-size Mac & Cheese  
dressing mix  
gravy  
rolls  
pie  
pudding cups

#### Items for a week out of school:

1 gallon milk  
cereal  
bread  
1 pound lunchmeat  
peanut butter  
jelly  
chips  
Mac & Cheese (single serving)  
Chef Boyardee (microwavable)

### Blessing of the Animals

What a beautiful, glorious day we had for the Blessing of the Animals. Although the turnout from the public was not as anticipated, the number involved from St. Mary's was amazing. Over half of our parishioners participated in some way with this annual blessing by either helping with the setup, advertising, cooking, working the booths, contacting Dr.

Huebner's office and Pet Tribe, providing items for the photo area, and staying to cleanup. We had the opportunity to visit, serve the community, and take part in a special service resulting in the blessing of our beloved pets.

## Animal Shelter

The lemonade stand at Blessing of the Animals was once again a success. The \$98 raised was used to buy food and supplies for the West Columbia Animal Shelter.

## Angel Tree

Last year through the generosity of our parishioners, St. Mary's was able to provide 5 families with a joyous Christmas by donating food, gifts, and stockings. The DOK will once again be overseeing The Angel Tree Project. Five families, identified by West Columbia Elementary, will be helped by us this year. More information about The Angel Tree Project will be made available later this month.

## Advent Adventures

Advent is "a time of preparation and expectation for the coming celebration of our Lord's nativity, and for the final coming of Christ 'in power and glory'." (An Episcopal Dictionary of the Church). To help make our Advent preparation more meaningful, Sunday, November 24th, we will have Advent Adventures. What are Advent Adventures? They are activities for all ages. Five areas will be set up in the Parish Hall (Advent wreath, Advent Candle, prayer cards, Nativity creation, and sugar cookie decorating) to prepare us for Advent.

For the sugar cookie activity, pre-made sugar cookies are needed in the shape of stars or angels. If you are willing to make 1 or 2 dozen plain, undecorated sugar cookies, please contact Dani in the church office. Cookie cutters can be provided for you.

Empty toilet paper rolls or paper towel rolls are also needed. A box will be available in the Parish Hall beginning Sunday, November 3rd, for your donations.

There will be no Christian Formation classes on November 24th, but all are encouraged to stay for this unique experience.

## Parish Dinners

Our next Parish Dinner will be Wednesday, November 20th, beginning at 5:30 pm. Although it will be the week before Thanksgiving, our church family will gather together for turkey, dressing, and all the sides. Charlotte and Mike Blount and Marvin and Theata Miller will be providing the turkeys. A sign-up sheet will be in the Parish Hall for those wishing to provide a side dish, dessert, or beverage. We have so much to be thankful for, including great food, warm fellowship, and a loving family. Remember, your friends and family are always welcomed.

## Daughters of the King Installation

On Sunday, November 24th, Jackie Walker, Andrea Anderson, Colleen Matocha, Wendy Hankins, and Shyanne Roddy will be installed into the Daughters of the King during the 9:00 am service. Please join us for this very special ceremony. A reception for our newest Daughters will follow the service.

## Traveling Mary and Joseph

No, we are not trying to rush Christmas and bypass Thanksgiving, but Mary and Joseph will begin their travels to St. Mary's on December 3rd. As we have traditionally done, Mary and Joseph will visit the homes of those who sign-up in the Parish Hall. They will stay with each family for 2-5 days. The family that has them on December 24th, will bring them to the church for the Christmas Eve service and place them near the altar. Unlike the inn keeper, please consider welcoming into your home our weary travelers.

## Trip to Brookwood

The Christmas poinsettias have been ordered, so it is time to plan our ladies' trip to Brookwood. We will leave on Friday, December 20th, with the time to be determined. This is a great opportunity for us to share a delicious meal in their elegant restaurant, pick up those last-minute gifts from their gift shop and garden center, and enjoy each other's company. Of course, we will also pick up the poinsettias. That's the whole purpose of the trip. Right?

If you have never gone to Brookwood, this will be a wonderful experience. Please let the office know you will be attending by Tuesday, November 12th. You are welcomed to invited friends and family members. The more the merrier.

## Message from Marvin Miller

### MY MASTER IS IN THERE!

An elderly man went to visit his family doctor. As he was preparing to leave the patient said, "Doctor, I am afraid to die. Tell me what lies on the other side."

Very quietly, the doctor said, "I don't know."

The man then quickly responded: "You don't know? You are a man of God and you do not know what is on the other side?"

The doctor was holding the handle of the door. On the other side came a sound of scratching and whining, and as he opened the door, a dog sprang into the room with an eager show of gladness.

Turning to the patient, the doctor said, "Did you notice my dog? He didn't know what was inside this room. He knew nothing except that his master was here. When the door opened, he sprang in with gladness and without fear."

"I know little of what is on the other side of death. But I do know one thing, I know my Master is there, and that is enough."
